

Call for Participation

We invite you to join us in **International Conference on Clinical and Medical Sciences (CAMS 2023)**

This conference will provide an excellent knowledge. The goal of the conference is to reach researchers and practitioners from academia and industry to focus on understanding advances in Medical Sciences and establishing new collaborations in these areas. The aim of the conference is to provide a platform to the researchers and both academia and industry to meet and also to share the development in this field. Only original research papers are invited for the publication.

Highlights of CAMS 2023 include:

- 6th International Conference on Mechanical Engineering & Applications (MEAP 2023)
- 7th International Conference on Electrical Engineering (ELE 2023)

Registration Participants

Non-Author / Co-Author / Simple Participants (no paper)

100 USD (With proceedings)
